TCVI Official Statement

KINGDOM SOVEREIGNTY

Beloved brethren, as Torah observant Hebrew Yisraelites in Ha Mashiakh, our organizations must be operated and administered without external constraints. That is to say, we must move beyond corporate requirements, and 501(c)3 rules and regulations for churches and governments that determine how such entities operate. We must no longer be spiritually and structurally limited by a CEO and a Board of Directors, bureaucratic red tape and geo-political gag orders.

The Church at Victorville / Kingdom of Yisrael Community Network has met this Divine standard. Nevertheless, our association is recognized as being tax-exempt. But not because we serve as a charitable arm of the U.S. Government. Our tax exemption was granted because the U.S. Government considers our unincorporated church to be self-governed; and has officially accepted our founding documents as a matter of U.S. Constitutional law.

Not that we seek to be above the law. We don't seek to be lawless. YAH forbid. As it is written, the powers that be are ordained of YAHUWAH. And against the fruit of the Spirit there is no law. But again, we must begin to order the Kingdom strictly according to the Torah, and to exercise the Divine right to govern without corporate organizational requirements and constraints.

Beyond that, we as a people simply have no authority to assume, declare or demand our rightful place among the family of nations. Only YAHUWAH can restore the Kingdom to Yisrael, since it

requires turning the hearts of kings and rulers to fulfill His will. Again, YAH, and only YAH, possesses the infinite Power and Authority required to accomplish this. Even so, Amen.

Sh'ma Yisrael: the eyes of Abba YAH are searching to and fro throughout the earth, seeking an uncompromised remnant whose hearts are right before Him in humble obedience to His Word. Be not deceived, saints. The faithful remnant does *not* include:

- Those who resist the divinely ordained powers that be in the name of sovereignty.
- Those who call for repatriation through the flesh rather than the Spirit.
- Those who seek unity through moral and spiritual compromise.

Finally, brethren, TCVI-KYCN maintains that ultimately, the faithful and true shepherds of YAHUWAH in Christ must organize and administrate the Kingdom itself according to the Law itself, rather than under a Torah-derived abstract, and other religious traditions of men.

We, The Kingdom of Yisrael Community Network, Declare, According To The Authority Vested In Us By Almighty YAHUWAH Through Yahushua Ha Mashiakh, That The Kingdom Of Yisrael Will Not Be Established By Entering Into Any Contractual Agreement Of Any Kind With Any Earthly Power Under The Current Guidelines Of Local, State, National Or International Law, In Any Location On Earth; Up To And including The United States Of America And Eretz Yisrael.

Shal'm.

IT'S KINGDOM TIME.
