

## MISSION

**Our mission is to gather, organize and unify a Kingdom city-state in the wilderness of America, as a divine demonstration of freedom and justice for our people, and the world.**

Over the past several years, the servant has divinely received and put forth a comprehensive Order of Kingdom Governance; founded and structured to evolve into a fully empowered, sovereign Yisraelite state.

Now according to the standard definition, a ‘state’ is “an organized community living under a unified political system.” By that definition, our emerging state now hinges upon a Kingdom-wide restoration and ratification of the ancient House of Dawīd...

On the other hand, a *nation* is generally defined as “a community of people who share a common language, culture, ethnicity or history.” And according to that definition, as natural and ‘naturalized’ Yisraelites, we are already a nation, but not yet an outward kingdom.

At this stage, the only missing requirement is a sovereign Yisraelite territory. And that dimension will soon be officially granted to the new Kingdom – when Abba YAH gathers His remnant into ‘the wilderness of the people,’ as it is written.

Surely, we as faithful Yisraelites are a holy nation, seeking to elevate our people and the world; as we evolve from our current state of sharing a common history and culture, into the everlasting United Kingdom of Yisrael.

IT'S KINGDOM TIME.
