THE KYCN MISSION

The Kingdom of Yisrael Community Network (KYCN) is a non-501(c)3 Hebrew Yisraelite nation-building platform, created to help connect, organize and unite community-minded Hebrew Yisraelites worldwide.

The mission of KYCN is to help prepare a new witness to the whole house of Yisrael and the world; to declare through cultural unity and divine community, that we, the supposed “African American” people, are indeed the true descendants of the ancient Hebrew Yisraelites of Yahudah and Yerushalayim, and the original indigenous Americans of the ten northern tribes of Yisrael.

The overall aim of KYCN is to contribute to the divine restoration of the ancient Kingdom of Yisrael. Indeed, we consider it a great honor to be a part of the overall Hebrew Yisraelite nationalist movement. And we believe that what KYCN brings to the nation-building process represents the missing piece to the sovereign nationalist puzzle.

In humble acknowledgment of the historic and landmark accomplishments of the late Rahbi Ben-Ammi Ben Yisrael, the Great Redeeming Angel, the late International Ambassador, Prince Asiel Ben Israel, the late Prince Shaleakh Ben Yehuda, and our Hebrew Yisraelite brethren currently dwelling in the land of our fathers; KYCN is hereby issuing the following declaration to our fellow Yahudim nationals in America and the world::

“In this final stage of our affliction, as in every ancient Hebrew captivity, we as set-apart Yisraelite nationalists must establish a self-sustaining Kingdom community. KYCN is divinely commissioned to deliver the prophetic revelation that building a Hebrew Yisraelite government and community in the wilderness of America is the necessary and proper next step that we as the lost-found Kingdom of Yahudah must take, in divine preparation for the long-awaited reconciliation of Yahudah and Yisrael; and a soon-coming new Exodus of a restored remnant of faithful Yisraelites to the ancient land of our fathers, as it is written.” – The Servant
