CHRISTIANITY

House of David Official Statement:

In fulfilling our call to culturally reconnect our people to the Holy Covenants: The House of David, the Church at Victorville and the Kingdom Community Network do hereby declare and decree, that the Hebrew Yisraelite stigmatizing of the word 'Christianity' as a term representing the false church is etymologically incorrect, historically inaccurate, structurally short-sighted and strategically unwise.

The Truth:

The first-century Messianic Hebrew Yisraelites undeniably referred to themselves as 'Christianos' – which is simply a Greek word translated into the English word 'Christian' and derived from the root word 'Christos,' meaning 'an *anointed* one' (1 Kefa-Peter 4:16; Acts 26:28).

The Messianic Christian churches were gradually driven underground by a treacherous Roman military campaign, targeting the 'Desposyni' – the Davidic princes who presided over all Christians, until their three-hundred-year-plus rulership was overthrown and usurped at the onset of Roman Catholicism.

The anointed Melchizedek Order of the Royal Priesthood restored by Christ was counterfeited with a corrupt geopolitical system, founded on the pseudo-Christian Mithraism of Roman Emperor Constantine I, and confirmed at the “Ecumenical” Council of Nicaea early in the fourth century.

The fact that most Hebrew-aware embrace the word ‘Christ’ and yet demonize the word ‘Christianity’ is a glaring example of our cultural arrogance – in alienating the vast majority of the very people we seek to restore, based upon a word that simply means “the way of Christ.”

Finally, brethren, when we as Yisraelites refer to the followers of Catholicism and ‘Churchianity’ as *Christians*, we are legitimizing the same religious systems we reject, by wrongfully referring to our people who are lost and deceived as ‘Christianos’ – anointed ones. YAH forbid.

Today, the man-made religion erroneously referred to as Christianity is a universal, multi-denominational, geopolitical, profit-driven “non-profit” corporation consisting of many warring factions; with each variation rooted in the pseudo-Christian Catholicism of fourth-century Rome.

The House of David is the Hebrew Yisraelite Governmental Order of The Kingdom Commonwealth of Yisrael; and the Founding Body of the Church at Victorville -- a global, Messianic non-501(c)3 association, located in the High Desert of Southern California, U.S.A.
