CHRISTIANITY

House of Dawid Official Statement:

In fulfilling our call to culturally reconnect our people to the Holy Covenants: The House of Dawid, the Church at Victorville and the Kingdom Community Network do hereby declare and decree, that the Hebrew Yisraelite stigmatizing of the word 'Christianity' as a term representing the false church is etymologically incorrect, historically inaccurate, structurally short-sighted and strategically unwise.

The Truth:

The first-century Messianic Hebrew Yisraelite community was undeniably referred to as 'Christian' – which is simply an English word translated from the Greek word 'Khristianos' and derived from the word 'Khristos,' meaning "an anointed one" (1 Kefa-Peter 4:16; Acts 26:28).

The true Messianic Christian churches were gradually driven underground by a treacherous Roman military campaign targeting the 'Desposyni' – the Dawidic princes who presided over all true Christians, until their three-hundred-year-plus rulership was overthrown and usurped at the onset of Roman Catholicism.

The ancient Melchizedek Order of the Royal Priesthood restored by Christ was counterfeited with a corrupt geopolitical system, founded on the *pseudo*-Christian Mithraism of Roman Emperor Constantine I, and confirmed at the “Ecumenical” Council of Nicaea, early in the fourth century.

The fact that most Hebrew-aware embrace the word ‘Christ’ and yet demonize the word ‘Christianity’ is a glaring example of our cultural arrogance, in alienating the majority of the very people we seek to restore, based upon a word that simply means “the way of Christ.”

Finally, brethren, when Hebrew Yisraelites refer to the followers of Catholicism and Churchianity as “Christians,” we add legitimacy to the same religious systems we reject, by wrongfully referring to our people who are lost and deceived as ‘Khristianos’ – *anointed* ones. YAH forbid.

Today, the man-made religion erroneously referred to as Christianity is a global, multi-denominational, geopolitical profit-driven corporation, consisting of many warring factions; with each variation rooted in the pseudo-Christian Catholicism of fourth-century Rome.

The House of Dawid is the sovereign Hebrew Yisraelite Governmental Order of The Kingdom Commonwealth of Yisrael, and the founding body of the Church at Victorville; a global Messianic non-501(c)3 association located in the High Desert of Southern California, U.S.A.
