THE KINGDOM ORDER OF NATIONS

"And I will make your seed to multiply as the stars of heaven, and will give unto your seed all these countries; and in your seed shall all the nations of the earth be blessed..." - Genesis 26:4

In the Name of YAHUWAH our Father, and Messiah Y'shua our Redeemer, Greetings.

My brethren, in bringing authentic and uncompromised unity of the faith to the Commonwealth of Yisrael, surely the first order of business is to reintroduce the Holy Nation at large, the proselytes and believers from all nations, to the true purpose of the Hebrew Yisraelites.

It is written that Abba YAH "...shows His word unto Yah'qob; His statutes and His judgments unto Yisrael. He has not dealt so with any nation; and as for His judgments, they have not known them." (Ps. 147:19-20). And again, YAHUWAH has declared, "I will make a new covenant with the house of Yisrael and with the house of Yahudah..." (Jer. 31:31; Heb.8:8). Surely, the greater Commonwealth must finally come to understand that the physical seed of Yisrael, who are of the faith of Abraham, are divinely ordained as the primary inheritors of the covenant blessings of YAH. (Rom. 9:3-5).

Despite the marvelous added blessing of receiving the adoption of sons from every nation as joint heirs in Mashiach, the true knowledge, wisdom, and innerstanding the faithful remnant must unite upon, has indeed been bequeathed to the genetic descendants of Abraham, Yitzhaq, and Yah'qob. More specifically, Hebrew Yisraelites - so-called "African Americans" - who constitute the natural Kingdoms of Yahudah and Yisrael. Ironically, it is the despised and rejected component of the holy nation, which is the very root of the remnant, out of which will emerge from this mass confusion, the YAH-ordained "...faith once delivered unto the saints." Selah.

Now to be sure, in our Hebrew language and culture, the word 'ben' (son) refers to a man who carries the honor, authority, and character of his father, and not merely his genes. Indeed, love is stronger than flesh, and thicker than blood. Clearly, those among us who would inherit the

promises must be of the faith of our father Abraham; that is to say, in Mashiach Y'shua. Nevertheless, YAH would simply be breaking covenant with the founding fathers of the faith, if He were to place the authority to establish Kingdom laws and principles anywhere other than in the hands of Hebrew Yisraelites in Mashiach; to then be imparted to His adopted sons, who willingly submit to national order in our Father's house.

For example, which of you, having begat sons, and having occasion to adopt sons from another family, would then sow discord into your own household, by appointing your adopted sons over the obedient sons from your own loins? And yet at the same time, we must also know, as it is written, that "A wise servant shall have rule over a son that causes shame and shall have part of the inheritance among the brethren." (Prov. 17:2). Selah.

We as Hebrew Yisraelites must be ever mindful of the fact, that while we were still living in our own land, still speaking our own language, and still practicing our own lifestyle, our enemies were still able to destroy our temple, and our holy city. They were still able to slaughter over one million of us, and cause the faithful remnant of our people to flee into ancient Pella for our very lives. Behold, Saints - the restoration of our national identity *alone* is no remedy for our confusion. In fact, the very reason Messiah Y'shua was crucified was for daring to disallow mere nationality and Mosaic rituals to continue as the standard for measuring one's walk with YAHUWAH.

Hear O Yisrael - the New Covenant Melchizedek Priesthood will once again prevail, as it is written. And in spite of certain factions of the Hebrew Yisraelite-aware who have yet to see this mystery, hidden in Elohim until the resurrection of Y'shua - the adoption of sons from among the Gentile nations - Abba YAH is faithful to His Covenants with our fathers, and will yet choose the seed of Yisrael in Mashiach as the *root* of the Commonwealth. (Rom. 11).

THE SET APART LAND

My brethren, we as a people must no longer succumb to the temptation to lean on our *biological* heritage as Hebrews, and our supposed "superior African genes," rather than on the everlasting arms. After all, this very tendency was the reason for ancient rejections, and our removals from the Promised Land to begin with.

The Set Apart Land rests on its own tectonic plate, and the African continent sits on a separate plate. And for we as the natural seed of Yisrael to continue to teach in our arrogance, that the Promised Land is uniquely 'northeast Africa,' represents an unjust balance, and undermines our cultural and geopolitical credibility in that region, and around the world. Remember, our father Abraham began his sojourning as Abram the Hebrew, from Ur of the Chaldees, to the *East* of Eden.

Now as we all know, the word 'holy' means 'set apart.' And therefore, the Holy Land by definition is the 'Land Set Apart.' I would simply pose the question, set apart from what? Or from whom? I believe the answer is clear - from *all* other peoples and lands 'round about. And after we came out of Egypt, Abba YAH clearly defined His inheritance through Mosheh, saying, "For you are a holy (set apart) people unto YAHUWAH your Elohim: YAHUWAH your Elohim has chosen you to be a special people unto Himself, above ALL people that are upon the face of the earth." (Deut. 7:6).

In truth, our divine purpose as Hebrew Yisraelites in the Set-Apart Land has always been to bridge the spiritual gap existing between the two great continents of the Old World. Clearly, this is the 'bottom line' reason we were divinely positioned in the so-called "Middle East." And moreover, the fact that Europe and Asia share the same tectonic plate must even further inform our new approach to fulfilling our responsibility.

In order to bless *all* the nations of the earth from the Promised Land in their midst, we as a people must now acknowledge that Ha Eretz is both northeast Africa, *and* southwest Eurasia. Both of which are highly significant, with both continents being locations of the Hebrew Yisraelite Diaspora. B'resheet-Genesis 15:18 reveals to us that "...YAHUWAH made a covenant with Abram, saying, 'Unto your seed have I given this land, from the river of Egypt unto the great river, the river Euphrates...'." So then, the set-apart land includes territory in both Africa *and* Eurasia.

Notice brethren, that our father Abraham journeyed from modern-day Iraq, migrated into Egypt, and then settled in the Land of the Promise. And thus, his very sojourn itself, was an indication of the Divine assignment of his Hebrew Yisraelite posterity. And despite our sojourn as Yahudah in Africa, in order to reunite with Ephraim, who sojourned in Eurasia, our conceptualizing of national unity must become *universal* rather than Afrocentric.

For example, using our Kingdom colors as a metaphor, if Africa is red, and Eurasia is blue, then we as Yisrael must be purple, representing the end-time reunion and synergy of Yahudah and Ephraim, and by extension, of Africa and Eurasia respectively, according to the 'dry bones' prophecy of Yahezqel-Ezekiel. Behold, Hebrews - it is written, "In that day Yisrael will be one of *three* with Egypt and Assyria, a blessing in the midst of the land, whom YAHUWAH of Hosts shall bless, saying, 'Blessed be Egypt My people (representing Africa), and Assyria the work of My hands (representing Eurasia), and Yisrael My inheritance.'" (Is. 19:24-25). Selah.

CULTURE VS. COLOR

Now concerning ethnic diversity within our own ranks, King Dawid's grandmother Ruth, for example, was a Moabitess. And Rahab the Egyptian harlot is an ancestress of Y'shua Ha Mashiach Himself. Apparently, skin color and ethnicity are not nearly as crucial to Abba YAH as they seem to be to so many of us. And as it is written, "In your seed (Abram) shall ALL the nations of the earth be blessed." (Gen. 22:18a). And again, "A wise servant shall have rule over a son that causes shame, and shall have part of the inheritance among the brethren." (Prov. 17:2).

The truth of the matter is, sin is colorless, classless, and "raceless," if you will. And in a shameful display of lawlessness, and a callous disregard for "black lives," our young lions gunning each other down in the streets of America show no inherent moral superiority to so-called "whites." As for our supposed "African roots," based upon our high levels of melanin, it is evident that our father Abraham himself was born and raised on the *Eurasian* side of the Holy Land [where his descendants of Yahudah later sojourned for seventy years.] In fact, the 'wise men' who discerned the meaning of the "Bethlehem Star" in the Mazzeroth, were trained in a prophetic school in the East, established by the great Judean prophet Dahniel.

My brethren, Hebrew Yisraelites are simply not Africans. Plain and simple. The truth is, we are

the children of Yahudah and the children of Yisrael, with both nations being the seed of Shem. This *YAH-ordained* genetic distinction must no longer be overlooked in the name of "black pride," or "black" head-counting, to artificially inflate our numbers as a people. After all, our father Mosheh assured us that "YAHUWAH did not set His love upon you, nor choose you, because you were more in number than any people; for you were the fewest of ALL people..." (Deut. 7:7).

Should we love and embrace Africa, YAH's people? Of course! Should it be greater than our love for Eurasia, the work of YAH's hands? Absolutely not. We must also recognize, brethren, that the connection of many Africans to the Kingdom of Yahudah is that they are Hamitic proselytes to the 'Book of the Law,' rather than actually being our fellow Shemitic children of Yah'qob. Surely YAH is not the author of confusion, as it is written.

My brethren, the hour has come when we must move beyond "race" and color, and begin to realign ourselves with the Torah itself, which contains no such laws or covenants, prophecies, or sentiments - that is, if we wish to finally rise up out of our subordinate national position into a united sovereign Kingdom under YAH. Surely the earth is the LORD's and the fullness thereof; the world and they that dwell therein, as it is written. And certainly, we as Hebrew Yisraelites must now begin to represent *both* sides of the Holy Land, to reunite YAH's people who dwell across both continents.

GENETICS VS. BLOODLINES

Now concerning our supposed superior "Black Hebrew blood," hypothetically speaking, if a Yisraelite were to receive a blood transfusion from a Gentile, would he at that point cease from being a Yisraelite? The truth is, it is written that the Divine Blessings of Yisrael are not in the blood, but in the *seed*. Selah.

Question: If a man's father is a Gentile and his mother is a Hebrew Yisraelite, what is his nationality? If his mother's father is a Hebrew Yisraelite, then he too, has a Hebrew Yisraelite father, and thus he is in fact our kinsman.

Now we know that every man's blood comes exclusively from his father. So here we have an authentic Hebrew Yisraelite, measured by any yardstick, and yet he has a Gentile's blood running through his veins. As it is written, the life of the *flesh* is in the blood. But the life of the *soul* is in the DNA, where our unique characteristics and divine giftings as Hebrew Yisraelites reside. And the truth is, no other nation among the Commonwealth possesses our genetically inherited capacity, evolved, and perfected over the generations, to rule the nations with justice and mercy, and in Spirit and in truth. Selah.

SOVEREIGNTY VS. AFROCENTRICITY

Surely, the hour has come for all Yisrael, as Abba YAH's personal inheritance, to fulfill *His* will, and not our own, on behalf of all the nations of the Commonwealth. And the only way to do so is to finally renounce the "racial" pride of being "black" still lingering among us from the 1960's, that originally spawned our Afrocentricity, which notion is nowhere to be found in the Torah, nor in the ancient culture of our people. In fact, the whole 'Black Power Movement' itself was simply a

mass reaction to our being historically abused as a people. And in my judgment, it was an *over*-reaction. The "pendulum of justice" at that point swung a little *too* far in the other direction...

As the YAH-ordained leaders of all humanity, we as Hebrew Yisraelites must no longer attempt to lead by *re*-action, but by *pro*-action. It seems clear to me that our strategies, tactics, and doctrine of war in the Spirit, must always be *proactive*, and no longer based upon a "knee-jerk" reaction to the fiery darts of the wicked. In fact, "Black pride" is just as disruptive and divisive as "White pride." After all, our people would certainly have a problem with so-called "whites" adopting as a slogan, "Say it loud, I'm White and I'm proud." And rightfully so. The righteous among the Eurasians have long since recognized this, and it is high time for we as Hebrew Yisraelites to acknowledge this as well...

Finally my brethren, concerning the last days, it is written, "The envy also of Ephraim shall depart, and the adversaries of Yahudah shall be cut off; Ephraim shall not envy Yahudah, and Yahudah shall not vex Ephraim." (Is. 11:13). YAH Khai v' HalleluYAH!

After some twenty-seven centuries of Diaspora suffered by Ephraim, and four-hundred-years of affliction of both Kingdoms in America, surely the time has come, for all of the tribes and factions of the Holy Nation to rise above the divisive doctrines of 'Afrocentricity,' and "white supremacy." Surely the time has come, for the re-bonding of the trees of Yosef and Yahudah. Surely the time has come, for the Holy Nation to again become One in the hand of Abba YAH...

Surely the time has come, for the Throne of Dawid, and the Birthright of Ephraim, to reconcile in Spirit and in truth, through the Branch, the end-time 'anointed personage' prophesied to come, who will restore all things spoken by the ancient prophets, as it is written. Shal'm Aleichem!
