Prophetic Update:

THE REVELATION OF BLACK JESUS

For the past sixty years, the vast majority of Black American women, and the down low black preachers, politicians, “stars” and betas who exploit them, have chosen to identify with the so-called Democratic Party. And yet, from its pro-slavery beginning in 1828 to this day, this treasonous “elite” cabal has remained the upright “black” man’s greatest enemy.

But in 2024, thanks to Russian President Vladimir Putin, a “white” man, the truth was finally revealed before the whole world that the *real* Christ is a “black” man.

And then suddenly, many of these self-righteous, bought-and-sold black traitors began to pretend as if they were not guilty of bowing before their liberal massas – and worse – while brutally slandering and plundering the “uppity blacks” who have followed the true ‘Jesus,’ Yahushua, and have faithfully borne their crosses all along. And so it is.

Behold: The Divine Judgment is now set. And all faithful Hebrew Yisraelites in Christ and true Christian citizens and subjects of the Holy Nation shall be vindicated and greatly rewarded! But the traitors, both “black and white,” are being seen by the whole world for exactly who they are – and shall be fully recompensed by Almighty YAH according to their works, as it is written.

YAH Khai v’HalleluYAH!

IT'S KINGDOM TIME.
