ADVANCING THE KINGDOM

TCVI MISSION

The mission of the Church at Victorville (TCVI) is to gather, organize and establish a Kingdom city-state in the wilderness of America.

Over the past several years, the servant-emissary has received and inscribed a Divine Order of Governance, designed to evolve into a New Sanhedrin of Yisrael.

Now according to the standard definition, a nation is "a community of people who share a common language, culture, ethnicity or history." By that standard, we as natural and naturalized Yisraelites in Christ are already a nation – but not yet an outward Kingdom.

On the other hand, a *state* is defined as "an organized community living under a unified political system." And by that definition, our emerging government now hinges upon a nationwide recognition and ratification of the ancient House of Davïd.

At this stage, the only other city-state requirement is a sovereign Yisraelite territory. And that standard shall soon be officially raised over the New Kingdom, when Almighty YAH gathers His remnant into the "wilderness of the people," as it is written.

Behold: As anointed Yisraelites in Christ, we are indeed a Holy Nation; seeking to elevate our people and the world – as we evolve from our current status of sharing a common culture, into the New United Kingdom of Yisrael.

IT'S KINGDOM TIME.

The House of Davïd *is the sovereign Hebrew Yisraelite Governmental Order of The Kingdom Commonwealth of Yisrael, and the Founding Body of the Church at Victorville; a global Messianic non-501(c)3 Association, located in the High Desert of Southern California, U.S.A.*
