Prophetic Update:

THE REVELATION OF 'BLACK JESUS'

For the past sixty years, the vast majority of 'black' American women – and the “down low” black preachers, politicians, “stars” and betas they embrace – have chosen to identify with the Democrat Party. And yet, from its radical pro-slavery beginning in 1828 to this day, this treasonous cabal has remained the upright 'black' man's greatest enemy.

But in 2024, thanks to Russian President Vladimir Putin – who is 'white' – the truth has been revealed before the world that the real Christ is a 'black' man. Now suddenly, many of these “elite” black traitors are pretending as if they were not guilty of bowing before their “liberal” masters, and much worse, while they slandered and oppressed the “uppity blacks” who have obeyed the real “Jesus,” Yahushua; and have faithfully borne their crosses all along... And so it is.

Beloved children: The Divine Judgment is set; and all true Hebrew Yisraelites and Christ-ian citizens and subjects of the Holy Nation shall be vindicated and greatly rewarded! But the traitors, both “black and white,” are finally being seen by the world for exactly who they are – and shall be recompensed by Almighty YAH according to their deeds, as it is written.

YAH Khai v'HalleluYAH!

IT'S KINGDOM TIME.
