

OFFICIAL MISSION STATEMENT

The Kingdom of Yisrael Community Network is a non-501c3 Hebrew Yisraelite nation-building platform, created to help connect, organize and unite community-minded Hebrew Yisraelites worldwide.

Our mission is to help prepare a new witness to the whole house of Yisrael and the world; to declare through cultural unity and divine community, that we, the so-called African American people, are indeed the lost-found Kingdom of Yahudah and Yerushalayim.

The overall aim of KYCN is to contribute to the divine restoration of the United Kingdom of Yisrael. Indeed, we consider it a great honor to be a part of the overall Hebrew Yisraelite nationalist movement. And we believe that what KYCN brings to the nation-building process represents the missing piece to the sovereign nationalist puzzle.

In humble acknowledgment of the historic and landmark accomplishments of the late Rahbee Ben-Ammi Ben Israel, the Great Redeeming Angel, Prince Asiel Ben Israel, the late Dr. Shaleahk Ben Yehudah and our Hebrew Yisraelite brethren in the land of our fathers; the KYCN Leadership Council Executive Committee is hereby issuing the following declaration to our fellow Yahudim nationals worldwide:

In this new season, just as in every ancient Hebrew Yisraelite captivity; we as set-apart Yisraelite nationalists must establish a self-sustaining community in this final captivity in America.

The KYCN Leadership Council, along with our global network supporters and affiliates, are thoroughly convinced that building a Hebrew Yisraelite government in the wilderness of America is the necessary and proper next step that we as the lost-found Kingdom of Yahudah must take; in Divine preparation for the long-awaited reconciliation of Yahudah and Yisrael; and the coming Mass Exodus to the ancient land of our fathers, as it is written.
