THE CULTURE OF KINGDOM MARRIAGE

To all the family of Almighty YAH our Father and Yahushua our Messiah, Greetings.

Beloved saints, the sun has now moved into the Messianic house of Pisces, the twelfth house of the Mazzaroth (Job 38:31-33). And as we approach the spring season and the first three Holy Convocations of our GOD, the hour of the great breakthrough of Kingdom marriage is upon us!

Now as you know, Messiah Yahushua died on Passover, was buried on the Feast of Unleavened Bread, and was risen from the grave on the Feast of First Fruits. And He poured out His espousal gifts in the Holy Spirit upon His bride-to-be on Pentecost. All in due season, and right on schedule according to the eternal appointments. And in like manner, our seasons of Kingdom espousal are unfolding based upon the very same appointed times and seasons of Almighty YAH!

But ironically, with all of our joy and excitement for Kingdom marriage, the cultural practices of the marital process according to the Bible have been largely ignored. And in the traditional misunderstanding of New Covenant grace, the Holy Nation at large has adopted as holy “matrimony,” the vain traditions of men. And clearly, this national oversight is a threat to the promised blessings of marital bliss to come.

Now, as we so often say, according to the scriptures, the institution of Kingdom marriage was designed first and foremost to reveal to a lost world the eternal love of Abba YAH for Yisrael and Yahudah, and Yahushua for His Jew and Gentile church. And at this stage in the espousal

process, very few if any among us would disagree. But of course, saints, Kingdom marriage is also the basic building block of the Holy Nation. And therefore, true Kingdom marriages are ordained by our GOD for raising, establishing and perpetuating set-apart families, which are at the very root of the Kingdom. And in reality, true Kingdom families can only be manifested through a spiritual and material legacy of inheritance and generational wealth, according to the scriptures.

Beloved family, the truth is, all of the worldly customs concerning our lives and assignments have been demonically inspired and enforced by the wealthy “elite” to mislead the “sheeple” – we, the chosen people – into perpetual poverty and captivity (James 2:5-7). But on the other hand, the restoration of Kingdom marriage according to the culture of ancient Yisrael will soon restore our individual freedom and prosperity in Christ; which in turn, will restore our Kingdom sovereignty as the Holy Nation. HalleluYAH! And as it is written, “Thy Kingdom come, Thy will be done...”

Surely, my people, we as the seed of Abraham in Christ must now know and understand that there is a direct correlation between Greco-Roman marriage laws and customs, and the family dysfunction and generational poverty that dominates our congregations and communities. Sélah.

For example, according to the Hebrew culture of Abraham, a ring placed on a finger by a husband does not represent marriage. But instead, a ring delegates spiritual authority and material resources to the firstborn son or the chosen son through the divine order of inheritance. But under the Greco-Roman tradition of supposed holy matrimony, a signet ring for the finger of the rightful heirs are wrongly presented to our wives.

Blessed children, this seemingly innocent custom has deliberately caused a transfer of family authority and property within the Holy Nation from our firstborn sons to our wives. And the disinheriting of our rightful heirs is contrary to the laws and appointments of Almighty YAH! And the resulting damage in terms of the loss of order, stability and generational wealth among the family of GOD is immeasurable...

Now according to the scriptures, in a true Kingdom family, the double portion inheritance and authority bequeathed by a husband as the head of the household, both spiritual and material, goes to the firstborn son; or the chosen son, if the firstborn forfeits his portion through unrighteousness. And the balance of a husband's estate is divided between his remaining sons. Behold saints, our violation of this fundamental biblical law is a major cause of our people as a whole being unable to create and sustain generational wealth, in the natural and in the Spirit.

Biblically speaking, the marriage covenant nose ring given to our father Isaac's wife Rebekah for example, sends a clear signal of our cultural disconnection. In our Hebrew culture, a nose ring in Kingdom marriage represents feminine submission and obedience according to the customs of our ancient fathers. And beyond that, the marriage covenant bracelets worn on Rebekah's wrists represent the consecration and commitment of the Yisraelite bride's hands in becoming a helpmeet to her husband.

In truth, the entire marital process has been forever codified in the Holy Convocations which were given to Moses according to the very culture which pre-existed in Heaven (Heb. 8:4-5). And therefore, the Holy Feast Days represent the eternal guidelines and practices we are called upon to honor, and the Divine Appointments we are commanded to keep with our GOD throughout our generations. And every Holy Appointment given to Yisrael finds fulfillment in the marriage of Christ and His Bride, New Jerusalem. And so shall it be for the seasons of true Kingdom marriages to come!

For example, after Yahushua died in the flesh for His bride's deliverance from her counterfeit husband Satan, He rose from the grave in victory over death, and His espoused called upon Him as her LORD. At that point, she understood and accepted the New Covenant of Marriage, ratified in her Beloved's own blood, which He officially declared as He fulfilled the Passover with the Covenant espousal of His church. And that holy espousal occurred according to the divine appointment set by His Father in Heaven.

And when the Day of Pentecost was fully come, His beloved was in one place, and in one accord, and received the outpouring of her espousal gifts through the Holy Spirit, according to the long-established customs of Hebrew marriage! In like manner, the late-summer Convocations of the Day of Trumpets, the Day of Atonement and the Feast of Tabernacles find their fulfillments in the actual call to the Royal Wedding: Trumpets; and the days of examination and consecration of the bride: Atonement; and the final coming together in the Holy Tabernacle of Marriage. And so shall these things be with our Kingdom marriages to come, according to the divine appointments given to all Yisrael.

Finally, saints, the widespread notion that each of us are in different seasons in our walks with Christ is not according to the revelation of the Holy Moedim, which are after all, the eternal Convocations of Heaven itself. Now to be sure, each of us is in a different stage of life in our unique journeys based upon our number of evolutions around the sun. But the seasons established by Abba YAH in the creation of the sun, moon and stars remain constant and consistent. And like

life itself, although each of us are in different years and stages of life, we are always in the same season together, both naturally and spiritually; through the fall, winter, spring and summer seasons set by Almighty YAH from the beginning. Sélah.

Beloved family, when all is said and done, our Kingdom marriages at large, and especially the great prototype Kingdom marriage to come, will not occur out of sequence, nor in an uncoordinated set of circumstances. But instead, our marriages will be divinely ordained according to the Holy Moedim – the eternal appointments set by Abba Himself, to guide the lives and events of His children in the eternal culture of Heaven, which was established on earth through our father Moses by the Almighty GOD, according to the counsel of His own will.
