Prophetic Update:

THE FINAL SEVEN STEPS

The soon-coming prophetic events from Yakhezqel-Ezekiel in sequential order:

Chapter 34: The judgment of Yisrael and revelation of the Branch of Dawïd.

Chapter 35: The removal of Esau and the Islamic coalition of Psalm 83.

Chapter 36: The purging and restoration of Ha Eretz for the new Exodus.

Chapter 37: The resurrection and unification of Yisrael and Yahudah.

Chapter 38: The invasion and judgment of the Gog-Magog coalition.

Chapter 39: The exaltation and repatriation of the Hebrew Yisraelites.

Chapter 40: The construction of the new Temple in the City of Dawïd.

According to the above prophecies, the defeat of Esau and the Islamic coalition and the judgment of YAH upon the state of Israel will trigger the mass repatriation of true Yisrael through the uniting of Yahudah and Ephraim in the wilderness of the people. And ZecharYahu-Zachariah, ObadYahu-Obadiah and others bear witness to these soon-coming end-time events as well.

Also, the destruction of Damascus recorded in YeshaYahu-Isaiah 17 will see its fulfillment during the Psalm 83 war. Therefore, the divine pruning of America recorded in the following chapter (18)) reveals that the U.S. will also be an integral part of the judgment of the state of Israel and the

Islamic coalition, and the overall preparation for the gathering and obedience of the people, recorded in Genesis 49:10. SÉLAH.

IT'S KINGDOM TIME.
