Apostolic Epistle

THE KINGDOM ORDER OF STUDY

Yasháh, a servant and apostle of YAHUWAH our Father and Yahushua The Messiah our Redeemer, to Kingdom Commonwealth of Yisrael in Christ, Greetings.

Beloved saints, the studies provided by the Church at Victorville are designed for all men everywhere who are seekers of truth, and desire greater insight into the Word of YAH through personal research; but particularly for elders, and those called to full-time Government ministry.

Nevertheless, we do find it needful to point out that contrary to popular belief, the real burden of studying “...to show yourself approved, a workman unto YAH...” does not rest upon the shoulders of Yisraelites at-large, but must be borne by the divinely appointed ministry officers of Mashiakh.

A closer scrutiny of the passage from which such great error is drawn (2 Tim. 2:15) reveals that in proper context, it was directed to Timothy, a young evangelist under Paul, to help equip him to meet the challenges of apostolic, prophetic and priestly ministry! After all, which of you being in legal difficulty and in need of counsel, would turn to a man who *moonlights* as an attorney? And it is rightfully said that a man who serves as his own lawyer has a fool for a client! How much more then, must we look to those in full-time ministry when our very souls are at stake!

As the faithful remnant of YAH in Christ, we must recognize this truth: that just as it takes a full-time commitment to master the disciplines of this world, it takes a full-time commitment and more, to master the word of the Most High! And for this cause, Yahushua has designated anointed

ministry officers to guide the nation. Therefore, we declare unto you, our Yisraelite brethren at-large, by the authority of the apostolic and prophetic mantles that rest upon this ministry: Be loosed from the man-made burden of duty for mastering the word of truth on your own time!

Now having declared that basic truth, we do urge you to take full advantage of the wealth of knowledge readily available in this technological age, and to prove all things by the Holy manuscripts.

The Church at Victorville offers a set of apostolic teachings designed to establish Yisrael in Ha Mashiakh; as well as prophetic revelation to equip the nation for reaching and teaching the lost sheep of Yisrael, and effectively serve as kings and priests unto the Gentiles. Through our written study guides, epistles, videos and holy decrees, our Universal Church labors faithfully to edify the body of Christ, and undergird the emerging Yisraelite Kingdom.

Again, my brethren, if your primary station in Mashiakh is not in ministry office, we beseech you to never study at the expense of your primary office as husband, father, businessman or worker. And we do hope and trust that the resources offered through TCVI will be of valuable assistance to you in that endeavor!

May the Grace, Mercy and Shal'm of Abba YAH be with you. Ahmen.

IT'S KINGDOM TIME.
