

VISION

TCVI foresees Abba YAH through Christ soon restoring the House of Dawïd and the House of Tzadok to rule in Yisrael, to establish Divine Law and order throughout the Commonwealth.

TCVI foresees a faithful body of said Elders in Christ who have rejected conformity to the ‘new world order’ and will establish the eternal Kingdom Sanhedrin of Yisrael.

- We foresee the establishing of local gatherings from house to house, restoring intimacy and accountability to our congregations.
- We foresee the true Holy Nation moving from ownership to stewardship like the original church at Jerusalem, and holding all things in common.
- We foresee a divine synergy of national agreement, when all Yisraelites in Christ will be perfectly joined together in the same mind and the same judgment.
- We foresee a great material wealth transfer coming from all nations and being placed at the feet of the true children of Yisrael.
- We foresee a great gathering of the children of Yisrael into one land in the wilderness of America, to build the foundation of the New Kingdom.
- We foresee a New Exodus of redeemed Yisraelites from around the world to our ancient Promised Land.

The House of Dawïd is the sovereign Hebrew Yisraelite Governmental Order of The Kingdom
