Prophetic Update:

THE ORDER OF THE END-TIME WARS

In the Name of YAHUWAH our Father, and Yah'shua the Messiah our Redeemer, Greetings.

My brethren, as you know, two final all-out attacks on the Holy Land, by the Arab nations and the 'Gog-Magog' coalition, are prophesied to take place at 'the time of the end.' So it stands to reason that both events will be closely connected and coordinated, and will occur at the same relative point in time. Clearly, the Arab attack will embolden and tempt 'Gog,' and create the perfect opportunity for the non-Arab coalition's mass invasion...

The "Gog-Magog" prophecy, recorded in Yah'ezqel-Ezekiel, reveals that at the time of this invasion, a 'Jewish' remnant gathered from many nations will dwell confidently in the land – no doubt trusting in their supposed racial identity, rather than in "Ha Shem." But since the 'Israelis' currently live under constant threat, the Arab defeat prophesied in Psalm 83 must occur *before* the Gog invasion by Eurasian and African nations. Surely, the total decimation of Israel's hostile neighbors will create the "safety" that emboldens Gog.

According to YeshaYahu-Isaiah, chapter 17, the all-out Arab assault will leave the Israeli population greatly reduced. So then, can the prophesied remnant of survivors fulfill the word that the people will bury the dead multitude? Yahkezqel reveals that 'the *house* of Israel,' [not the returning *children* of Yisrael], will cleanse the land over a seven-month period. Also, the Hebrew

word translated as ‘dwell’ is ‘yashab,’ which in this context, means ‘to *remain*.’ Therefore, the remnant which remains after the Arab attack will have the time and sufficient numbers to fulfill the prophecy. The final question then becomes, at what point in the next three-plus years will these wars occur? In other words, based upon the divine signs in the Mazzaroth of solar eclipses crisscrossing America in 2017, and seven years later in 2024, will the Arab attack occur on Yom Teruah in 2024 or before?

It seems likely that both battles will happen *before* Yom Teruah-Feast of Trumpets 2024, so that the land will be cleansed of the dead soldiers of Gog-Magog, and all Yisrael will be consecrated before the return of Yah’shua. For as it is written, Abba YAH has blessed His beloved Son, saying, “Sit at My right hand *until I make your enemies your footstool.*” SÉLAH.

Brethren, since the ancient prophecies are a sure word, then the soon-coming all-out Arab attack could commence at any appointed time of a Moed/Feast Day, occurring before Yom Teruah in 2024. Shabbat Shal’m!

IT’S KINGDOM TIME.
