A ROYAL PROCLAMATION

TO THE ELDERS OF THE KINGDOM COMMONWEALTH OF YISRAEL WORLDWIDE;
REPRESENTING THE TRUE SAINTS IN MESSIAH YAH'SHUA FROM ALL NATIONS

THE KINGDOM OF YISRAEL COMMUNITY LAND TRUST

The Kingdom of Yisrael Community Land Trust (KYCLT) is a non-profit arm of the Kingdom of Yisrael Community Network (KYCN), and shall steward Kingdom City land, government, housing and business facilities.

KYCLT serves the Kingdom by acquiring and developing land and structures on behalf of the saints of YAH our GOD through Yah'shua our Messiah, and shall manage these community-held assets under a YAH-owned, Kingdom-operated Community Land Trust in perpetuity.

KYCLT retains and preserves the YAH-ownership of Kingdom property(s) under a Divine, Torah-centered management and stewardship strategy that ensures all Kingdom government, housing and business properties will remain wholly consecrated, and fully accessible to all.

KYCLT shall promote community-driven decision making, with tripartite leadership projected to consist of the ministries of Housing, Commerce and the Interior, with said ministers and their families themselves being residents of the Kingdom community.

KYCLT shall exercise the authority to delegate available land and building rights to its citizens; and in the interim period, manage and maintain all vacant structures and properties.

Finally, if for whatever reason, a Kingdom citizen should choose to leave the community, or is banished for unrepentant refusal to obey Torah law, KYCLT shall retain the right to re-assign the vacant property(s) to available, pre-qualified Kingdom citizens in good standing. In the interim, all property shall be retained by YAH through the stewardship of KYCLT. The existing cost of the land shall forever be retained within the trust on behalf of its owner – Almighty YAHUWAH.

Not surprisingly, the community land trust concept was originally conceived by so-called “African American” farmers in the U.S., seeking to protect ‘black’ assets in the Jim Crow South. In addition, in recent years, the community land trust model has become a strategy utilized in urban communities to help maintain “affordable” housing.

IT’S KINGDOM TIME.
