*Prophetic Update*

### **THE REVELATION OF 'BLACK JESUS'**

For the past sixty years, the vast majority of 'Black' American women – and the “down low” black preachers, politicians and “stars” they embrace – have chosen to align themselves with the Democrat Party. And yet, from its radical pro-slavery founding in 1828 to this day, their party has remained the upright 'black' man's greatest enemy.

But in 2024, thanks to Russian President Vladimir Putin – who is 'white' – the truth has finally been revealed before the whole world that the real “Jesus” is a black man. Now suddenly, many of these “elite” black traitors are pretending as if they're not guilty of bowing before their “white liberal” masters [and worse] – while they slander and oppress the “uppity” blacks who have accepted the real Christ and His Gospel all along.

Beloved children: The Divine Judgment is set – and all faithful Hebrew Yisraelites and Christian citizens of the holy nation shall be vindicated, and greatly rewarded. But the traitors, both “black and white,” are now being seen by the world for exactly who they are; and shall be fully recompensed by Abba YAH according to their deeds, as it is written.

YAH Khai v'HalleluYAH!

IT'S KINGDOM TIME.
