## A H O L Y P R O C L A M A T I O N

TO THE KINGDOM COMMONWEALTH OF YISRAEL AND THE NATIONS OF THE WORLD

### THE ROYAL ORDER OF THE HOUSE OF DAWİD

#### *- The House of David -*

is the executive jurisdiction of the Church at Victorville, and a sovereign entity as the Royal Order of the Kingdom Commonwealth of Yisrael.

*The Royal House* shall rule as the foundational order of the Melchizedek Royal Priesthood, which shall comprise the Branch, the Executive Dawidic Council and the Universal Church-Sanhedrin, and represent the eternal Kingdom of Heaven on Earth.

*The Royal House* duties and responsibilities are derived from her YAH-decreed Eternal Order as the pre-eminent governing House in the coming New United Kingdom.

*The Royal House* was consummated in the first century of the Reign of our LORD; with its restoration to Executive Power in Jerusalem established by Yahushua Ben YAHUWAH Ha Melekh-Cohane – Christ, the YAH-Delegated Eternal King and High Priest of the Universe.

*The Royal House* originally administered in the New Covenant Churches under the Dawidic rule of Nasik Ya'aqob Ben Yosef [Prince James the apostle] – the brother of the Messiah, and the 'Desposyni' – The LORD's kinsmen.

*The Royal House* currently speaks and acts on behalf of the Kingdom through the formal issuance of Royal Decrees, open epistles, study guides and other official documents.

*The Royal House* in collaboration with the community land trust, shall develop and steward a Kingdom City enclave in the High Desert of Southern California as a sovereign Hebrew Yisraelite state territory.

*The Royal House* shall be specifically responsible for Divine rulership of the Commonwealth at-large, as organized into culturally reconnected local, national and international house-churches and ‘parachurch’ organizations.

*The Royal House* as a sovereign entity is politically comparable to the city-state it shall govern. That is to say, the Branch and the Dawidic Council shall collaborate with the Kingdom Ministry of State to establish direct Royal diplomatic relations with its fellow nations.

*The Divinely delegated Executive Power vested in the House of Dawid to rule the Eternal Church-Sanhedrin of Yisrael dates back to the First Year of the Heavenly Rule of Our LORD in the Common Era.*
