THE STATE OF THE KINGDOM

Beyond 2019

Beloved brethren, in this post-2019 season of our deliverance, as we soberly reassess our America = Babylon equation, we must reconsider the fact that the two key players on the world stage, and the two leading global socio-economic powers at this time, are the United States and China.

It is becoming increasingly clear to many that the deep-state forces behind the COVID-19 virus were successful in using China as the staging ground and launching pad for this latest bio-weapon attack on the righteous. And clearly, the Bill Gates-sponsored "World Health Organization" (WHO) worked in collusion and cooperation with Beijing to launch this heinous attack.

Thus far, we see that China at some level is staunchly pro-WHO, while President Trump is not (despite the presence of at least two remaining key figures from the Gates minions operating temporarily in the Administration for optics sake).

Behold Yisrael: Why is China the seat of this man-made 'plandemic' rather than the U.S., which remains the number one economic and geopolitical power in the world? Why is the virus not from America, since she is allegedly "The Great Satan," and the supposed seat of "The Beast System?" The truth is simple, and yet profoundly misunderstood and largely overlooked by the vast majority

of our countrymen; along with the many just converts from among the nations who truly embrace the Elohim of Abraham, Yitzhaq and Ya'aqob.

Now as you know, brethren, the current Chinese government was founded on the Marxist-Communist Manifesto, which assumes that the State is where its citizens derive personal power, since all things are rightfully "owned and controlled" by the State. On the other hand, the United States of America was founded not as a democracy, as in the Democrat Party, but as a Constitutional Republic. As the Pledge of Allegiance reminds us, "...and to the Republic for which it (the flag) stands."

That is to say, in America, the potential for democratic "mob rule" has been neutralized; in that the power of man derives not from an earthly power, but from his Creator. That is, from a power greater than the State. And thus, one's personal power, i.e. one's liberty, is inalienable; meaning said power is "...unable to be taken away from or given away by the possessor." Indeed.

The truth of the matter is this: the deep state globalist cabal attempting to establish a 'new world order' simply cannot do so, as long as the principle of personal freedom in America derived directly from Almighty YAHUWAH – however challenged and compromised – remains in place.

This is in fact the real reason America has remained in the crosshairs of the now neutered House of "Saud;" along with Rothschild, Soros, Gates, Obama, Biden, Clinton, et al. The only question remaining is, are there any true followers of Almighty YAH within these world governments who want out of this satanic madness?

Now without question, the forces of good, i.e. the Army of the Most High at every level of society, including within the ranks of world governments and big business – including within America – have risen up in resolute opposition to these insane, blood drinking, child sacrificing worshippers of Lucifer. And the amazing truth is, the seemingly invincible hidden globalist stronghold is being systematically dismantled right before our eyes. SÉLAH.

Very soon, my beloved countrymen, the divine government of the Kingdom Commonwealth of Yisrael shall be officially established; founded upon a third and final principle around which all of redeemed mankind shall soon unite, and be eternally blessed thereupon from that day forward...

For beyond Capitalism, and Communism, is Stewardism; the Everlasting Divine Principle which declares for the ages, that all things are in truth, owned by Almighty YAHUWAH, the Self-Existent

One; and that we as His sons are faithful stewards and inheritors of that which ultimately and the Elohim of Abraham, Yitzhaq and Ya'aqob. Even so, Amen.

He among you who has an ear, let him hear what the Holy Spirit is saying to the greater Commonwealth of Yisrael...

IT'S KINGDOM TIME.
