Prophetic Update:

KINGDOM CHRISTIANITY

In the Name of YAHUWAH our Father, and Yahushua Ha Mashiach our Redeemer, Shal'm.

Hear, O Yisrael: In Spirit and in Truth, the original Hebrew Yisraelite faith of Christianity existed and greatly prospered for some three centuries, before the man-made religion created by Roman Emperor Constantine I, now known as Roman Catholicism.

Translationally speaking, the word 'Christian' (Greek: 'Christianos' – "an *anointed* one") simply refers to a redeemed subject and kinsman of the prophesied Eternal Melekh-Cohane, Yahushua Ha Mashiach. Therefore, true believers in the redemptive work of the Lamb of YAH – who reject the Babylonian-Roman "Mother of God" blasphemy – are in fact *true Christians,* i.e. the anointed, true natural and naturalized Yisraelite citizens of the Kingdom, rooted in The Anointed One.

Etymologically speaking, in the modern world, true Christianity has often become synonymous with Roman Catholicism. But contrary to popular opinion, the so-called Catholic Church (Greek: 'Ecclesia' – "a called out assembly") is in *no* wise Christian. Instead, it is a treacherous, demonic merging of true Hebrew Yisraelite Christianity with ancient Roman (Babylonian) Mithraism.

In fact, one of the key leaders cited by a young Rahbi Ben Ammi Ben Israel (R.I.C.) as an early exponent of our descent from the ancient Yisraelites is Bishop C.H. Mason (R.I.C.), founder and Chief Apostle of the Shavu'ot-Pentecostal Church of God in Christ (COGIC); out of which

emerged Prophet L.A. Bryant of Chicago, Ill., who became the great Prince Shaleahk Ben Yehudah (R.I.C.), founder of the School of the Prophets at Dimona, Israel. SÉLAH.

Now, according to an agreement reached in late 2003 by *non-Christian* Israeli nationalists Prime Minister Ariel Sharon and Rahbi Ben Ammi, all expatriate Hebrew Yisraelites in Ha Eretz were required to *reinstate their American citizenships*, renounce Kingdom polygyny, and disallow receiving new membership going forward.

In late 2005, Sharon was hospitalized and lapsed into a coma, and remained in a vegetative state for over eight years. And "coincidentally," he and his ally in this worldly covenant, Rahbi Ben Ammi, both transitioned in 2014, under the final Blood Moon Tetrad – which did surely signify from heaven, the prophesied end-time judgment of anti-Christianity, among Hebrew Yisraelites and Israelis alike; both in Ha Eretz and beyond…

And now, in 2021, under the shock of the new Israeli deportation policy, our non-Christian Minister of Information at Dimona, Sar Ahmadiel Ben Yehuda, has publicly confirmed that in 2003, he and his fellow expatriates indeed agreed to reinstate their "Babylonian" U.S. citizenships to obtain permanent residency status – which still excluded the basic rights and benefits of Israeli citizenship.

Beloved brethren, it's time for a change.

IT'S KINGDOM TIME.
